Audit, Incident, Control: Rapid and Expert Response, Even Without a Mandate.

A surprise audit? A regulator's inspection? A critical incident? When the unexpected happens, you don't always have the time — or the contract in place — to wait. With our on-demand intervention service, Luxgap provides its experts for priority support, without administrative delay.

What We Guarantee You

Immediate Responsiveness

We intervene from your call, without administrative delay.

High-Level Expertise

Direct access to our specialists: CISO, DPO, CAIO — compliance, cybersecurity, and AI governance.

Regulatory Security

A response adapted to the requirements of regulatory authorities.

Total Flexibility

Intervention possible even without an existing mandate contract.

Terms & Contact

Intervention

For all urgent situations requiring an immediate response: audit, control, incident, regulation, and much more.

€245 excl. VAT/Hour

Applicable only in the absence of an active mandate contract.

 With Luxgap, you are guaranteed never to face an emergency alone.
